“Caring for people with lupus”

26 March 2007

Dear Members and Friends

I hope this letter finds you feeling happier now that Spring seems to be here at last. It is lovely and sunny today and I actually enjoyed putting the washing out on the line!

Some time ago I wrote and gave you the date for our AGM meeting this next Saturday, 31st March. The meeting will take place at the Howard Centre, Christchurch Hospital, commencing with refreshments at 10.30 a.m. If you are unsure about how to get to the Howard Centre please give me a ring (01202 884809). If you are unable to come for any reason do phone through your apologies. I know that some of our members find that the journey is too far and some are not well enough to attend. I will make sure that you get a copy of the minutes of the meeting so you can know what is going on.

After the AGM business we will have a short talk from one of our newer members on ‘Health and Care’ Leonora Spearpoint works in this field so we are very fortunate to have someone who can be approached for guidance in this field.

It was lovely at our last coffee morning to meet several new members. I hope you and any other new members will be able to come along on Saturday. It’s always strange coming to a new place and meeting new people. We are very sociable and will make you feel very much at home.

At the meeting we will also have our Lupus library. You are free to borrow from the library. If you have any books to return please remember to bring them along. There will also be our usual stall selling Lupus goods. If you have any books, plants or cakes that could be sold for lupus funds please bring them along.

There will be a raffle at the close of the meeting. If you have anything that could be one of the prizes for this please bring it along, however small.

Once the new committee has been formed a programme of events will be arranged and they will be sent to you in the Dorset Newsletter. If you would prefer to receive your newsletter on line please let me know and check that we have got your e-mail address.

Hope to see you on Saturday. Take Care
Kind Regards

Margaret
